Tau Bates - It my sad responsibility to inform you of Bob Nagel's death Sunday, October 19. He was having dinner with his wife and friends at a Knoxville resturant when he suffered a heart attack and died. Bob's family has requested memorials be given to the Bob Nagel Scholarship Fund rather than flowers. The Kansas Gamma Chapter needs to consider a memorial as several of the officers, actives, alums, and advisors knew Bob personally.

For those that did not know Bob, he was the Secretary-Treasurer Emeritus of the National Headquarters and the annual MC at the National Convention Saturday Night Banquet. He also was a very funny fellow and a true gentleman.
